Why is the City interested in your input?

The City of Garland needs your input about how to spend the federal housing and community development funds they will receive during the next five years (2010-2014). Activities must generally benefit low and moderate income persons. The City is starting its Consolidated Plan process, which will determine how the federal funds will be spent. Citizen participation is a vital step in determining the City's needs and priorities.

Consolidated Plan Questions:

If you are unable to attend a meeting, you may still provide comments; or for more information about the Consolidated Plan process, please contact:
