2. Committee Reports

TDS Committee – Garland HS, Sachse HS and Lakeview HS have indicated they will participate. Christie Madsden from Texas Transportation Institute indicated she would help contact the other schools to verify their plans. The GYC TDS committee will meet on Feb. 14th to determine the actual size of the event, based on school participation. We will still plan on having signup sheets for each school to award a prize for school support. We are also waiting to verify a driving school to participate in the driving course. (Update... the driving instructor has agreed to participate.)

Service Project Committee – Garland Civic Theater has agreed to allow us to stage the event inside their facility. The Service Project Committee will meet on Feb. 22nd, hopefully at the Civic Theatre to determine how to best utilize the space. Travis and Katrina need to get together to audition the band Katrina has found. All GYC members present agreed they could help recruit potential designers to participate in the show and spread the word about the event so we'll actually have an audience! The Committee recommended the food donations should go to Good Samaritans, the GYC agreed. The event hours will be 1-3 p.m. Beate and Travis will emcee. Other members of the GYC will need to serve as stage manager, show continuity, ushers and greeters. It was suggested that we try getting Hancock's Fabrics to help sponsor. Dorothy will put together an application and flyer to be distributed to the GYC members to give out at school.

Marketing/Promotions Committee – the committee hasn't met, but all GYC members are reminded to setup tables during lunch hours to hand out information.

Dorothy and Daniel are available to assist. Katrina is setting some days up at LCHS.
